a pesar de que la prohibición de discriminación indirecta es un principio jurídico arraigado en nuestro ordenamiento jurídico no se ha conseguido erradicar de nuestro sistema de relaciones laborales los efectos de este tipo de conductas que dificultan la consecución de una verdadera igualdad de oportunidades entre trabajadores y trabajadoras no solo en el mercado laboral sino en la sociedad

en general es por ello que es necesario realizar un estudio de cómo se está llevando a cabo su aplicación por parte del tribunal de justicia de la unión europea y los tribunales españoles es relativamente reciente el análisis de la vulnerabilidad social y económica ligada al empleo pero resulta preciso revisar el concepto de vulnerabilidad para deconstruirlo en aquellos elementos jurídico laborales y de protección social que pueden ser las causas que provocan o que intensifican el grado de vulnerabilidad esto requiere ahondar en los condicionantes subjetivos de la persona vulnerable en el empleo especialmente en el género porque parece que las mujeres pueden ser sujetos especialmente vulnerables en la medida en que el género potencia los efectos perniciosos de otros eventuales condicionantes la perspectiva de género entonces se haría precisa para enmarcar vectores de solución a la vulnerabilidad en el empleo y a la pobreza como efecto más visible a través de algunos de los objetivos de desarrollo sostenible presentes en la agenda 2030

the migration of professionals is widely seen as a paradigmatic representation and a driver of globalization the global elite of highly qualified migrants managers and scientists for example are partly defined by their lives mobility but their everyday lives are based and take place in specific cities the contributors of this book analyze the relevance of locality for a mobile group and provide a new perspective on migrant professionals by considering the relevance of social identities for local encounters in socially unequal cities contributors explore shifting identities senses of belonging and spatial and social inequalities and encounters between migrant professionals and others within the cities these qualitative studies widen the understanding of the importance of local aspects for the social identities of those who are in many aspects more privileged than others

john day 1522 1584 is generally acknowledged to be the foremost english printer of the later sixteenth century as well as printing some of the most important books of his day most notably john foxe s acts and monuments he also pioneered enormous advances in english typography and book illustration yet despite his revered position in printing history this book is the first full length study to look into day s life and legacy scholars have paid much attention of late to the acts and monuments but without placing it within the context of day s overall business strategy he was a printer whose success and range of titles like his connections and influence went far beyond john foxe day may have gained his notoriety as the printer of foxe s book but in order to understand both the man and his business as evenden shows we must look at the wider range of day s productions and the motivation behind them the study begins by setting day in the context of the sixteenth century printing industry examining his disputed origins and his establishment as a london printer a number of day s most celebrated elizabethan productions are then discussed in detail in order to understand not only his business strategies but also his religious and political affiliations throughout this period similarly evenden examines his connections with the stranger communities in london and how they assisted day s business and helped to enhance his reputation throughout the book it is argued that day s printing empire and wealth were founded on a combination of two crucial factors outstanding technical skills and the ability to attract patrons and patents day carried out technically demanding printing assignments most notably the heavily illustrated acts and monuments for leading elizabethan statesmen and churchmen and was

rewarded with exclusive rights to print more lucrative works such as the abc catechism and metrical psalms thus his success rested on both cheap and exp

tras las dos ediciones precedentes el iii congreso internacional de igualdad celebrado los días 21 y 22 de mayo de 2025 constituyó nuevamente un evento de referencia dentro del calendario investigador y divulgativo del observatorio de igualdad de la universidad isabel i en esta ocasión el tema a tratar respondió al reto planteado por la transformación digital y la no discriminación hecho que llevó a investigadores y divulgadores de reconocido prestigio a plantear desde distintos prismas la dificultad que supone en ocasiones alinear los desafíos tecnológicos y la igualdad de oportunidades en los distintos ámbitos de la vida resultado del trabajo conjunto nace esta obra en la cual se exponen los peligros derivados de las herramientas digitales pero también cómo las mismas pueden ayudar a mejorar el mundo que nos rodea desde la filosofía o la ciencia política el derecho o la criminología pero con el hilo conductor de los recursos digitales igualdad y nuevas tecnologías afrontan un camino de no retorno en el que sólo la concienciación el conocimiento y la implementación de medidas eficientes y realistas pueden facilitar la mejor transición posible

a pesar de su creciente importancia nadie que se enfrente seriamente al estudio de los efectos de los medios de comunicación puede decir que el terreno adolezca de una excesiva placidez o de inactividad nuevos métodos de investigación nuevas teorías e incluso nuevos terrenos casi inexplorados son los elementos que están fomentando una verdadera revolución desde dentro aunque no todos estos cambios se generen internamente con frecuencia son los críticos desde fuera quienes modifican la investigación de modo que sus provocadoras observaciones hacen que se replanteen algunas aseveraciones que se reexaminen hallazgos y se reformulen teorías a partir de esta situación los investigadores reunidos en este volumen conforman una de las mejores representaciones imaginables dentro de la tradición académica que aborda los efectos de los medios de comunicación tomando como base perspectives on media effects todo un clásico debido a los mismos compiladores se conservan algunos capítulos se mantienen temas y se añaden nuevas perspectivas con el fin de demostrar que la investigación sobre los impactos sociales y psicológicos de la comunicación mediatizada ha variado notablemente en estos últimos años y por encima de todo se deja bien claro que se trata de un campo en continua evolución a la vez una disciplina académica siempre renovadora y una materia de gran fecundidad intelectual
